

Noritz Manufacturer Certification Statement for Federal Tax Credit

Energy Efficient Home Improvement Credit (Section 25C)

Noritz America Corporation (Manufacturer ID: **K2P9**) certifies that the following models of water heaters meet the requirements of Section 25C of the Internal Revenue Code. The Energy Efficient Home Improvement Credit (EEHIC) provides a maximum credit of \$1,200 for most taxpayers, \$600 for any single energy property item. Notwithstanding these limits, the credit for qualifying expenditures on biomass stoves or water heaters and/or heat pumps powered by electricity or natural gas is capped at \$2,000.

Homeowners who make qualifying energy-efficient improvements after January 1, 2023, may claim applicable tax credits for improvements completed through December 31, 2025.

Manufacturer: Noritz America Corporation - 11160 Grace Ave, Fountain Valley, CA 92708

Qualified Manufacturer Eligible Products:

- Water Heater (Electric Heat Pump Water Heater) **≥ 2.2 UEF**
- Water Heater (Natural Gas Water Heater) **≥ .95 UEF**
- Water Heater (Propane Water Heater) **≥ .95 UEF**
- Hot Water Boiler (Natural Gas Hot Water Boiler) **≥ 95% AFUE**
- Hot Water Boiler (Propane Hot Water Boiler) **≥ 95% AFUE**

Please retain this Noritz Certification Statement along with your proof of purchase receipt for your federal tax filing records. To qualify, you must complete **IRS Form 5695** and satisfy all federal tax credit requirements. The tax credit applies only to an existing home located in the United States that is owned and used by the taxpayer as their primary residence. For full details, please consult a qualified tax professional.

Under penalty of perjury, I certify that I have reviewed this Noritz Manufacturer Certification Statement, and to the best of my knowledge and belief, the information provided is true, accurate, and complete.

Sincerely,
